Domestic and Commercial Lighting

Thank you for your interest in LIGHTING INTERIORS.

LIGHTING INTERIORS is a family-owned business that has been operating since 1986.

Owner Gary Lee has been involved in the lighting industry for over 20 years and can help you choose the best lighting solutions for your home or business.

LIGHTING INTERIORS is located in the Home Base Shopping Centre, just west of Home Base Expo. The showroom has a wide selection of quality lighting products, ranging from ceiling lights to floor and outdoor lighting.

Staff will take time to listen, explain and recommend each light fitting and its accessories, so you receive the best possible solution for your lighting needs. We pride ourselves on customer service and will assist you in any way we can to ensure you are satisfied with the final outcome.
